#### Time to Relax

The 23rd Annual Chain O' Lakes Ice Fishing Derby is now history. Club projects have been designated, committees formed, and everyone is looking forward to putting these funds generated to good use for the Chain O'Lakes area. However, now is the time to relax a bit. The Northern Illinois Conservation Club and 885 Civic Club of Antioch will hold their first recognition dinner on May 2, at the Country House, Rte. 173, just west of Rte. 59 in Antioch. Attendance adjustment 6:30 p.m., dinner 7:30 p.m.

The dinner is intended to give recognition to those individuals that helped make the derby the great success it was. The sponsor donors, and members of the news media that contributed so much will be the guests of honor.

The dinner will include a guest speaker from Muskie Inc. on the stocking of muskies and a speaker from the department of conservation on stocking and related programs currently being implemented and future goals for the Chain O' Lakes.

The clubs have already made initial commitments in this direction and plan to do a lot more along these lines.

## Antioch to have active 'Crime Stoppers' soon

by GLORIA DAVIS

The Crime Stoppers Program, introduced and explained to Antioch residents a few weeks ago at a program sponsored by the Antioch Chamber of Commerce and Industry, will soon be implemented locally in Antioch as well as most other municipalities in Lake County.

According to Antioch Police Chief Chuck Miller, he and police chiefs from neighboring towns and Lake County Sheriff Robert (Mickey) Babcox, have already had meetings to start the program rolling independently of the most successful one now operating in Waukegan, North Chicago and Zion.

Miller said that the paper work, applying

for a state charter, was done at a meeting held on Friday, April 8.

"It usually takes about a month for things like that to go through, so I expect the program to be ready to go in approximately a month or so," said Miller.

Police chiefs from Lake Villa, the Round Lake area, Lindenhurst, Grayslake, Gurnee, Island Lake, Vernon Hills, Highland Park, Winthrop Harbor and Deerfield, as well as Miller, have been appointed to a committee to put the program together.

Miller said that the board governing the program will be made-up of representatives of the sheriff's department, and one representative of each municipality participating, to make the power balance equal.

Each of these board members will have their own committee, made up of local citizens, who will work for the program in their individual areas.

The raising of funds will be one of their most important functions.

Miller added that the sheriff's department will be donating man-time to the program.

This countywide crime prevention program will be a non-profit corporation whose main function will be to publish crimes committed in the area and offer rewards for information leading to the criminals' apprehension and conviction.

The special feature of the program, as it is set up nationally, is the offering of complete anonymity to persons coming forward with information.

The success of the Waukegan program, begun less than two years ago, in solving 448 felony cases through the program's implementation, is what has caused countywide interest in it.

## Letkey sentence 7 years

Robert Dennis Letkey, after being found guilty of the burglary of The Olde Attic, Antioch, by a 12-man Lake County jury, was sentenced to serve seven years in the Illinois Dept. of Corrections, on Tuesday, April 5, by Judge Harry P. Strouse, Jr..

The prosecuting attorney was Assistant States' Atty. Tom Briscoe.

Letkey, who was found inside the closed gift shop on Dec. 10 by the Antioch Police Dept., had a prison record at the time of his capture.

The Dec. 10 break-in was the fourth illegal entry made into the shop within a short space of time.

### Assessment Changes Inside

The changes in valuations as authorized by the Lake County Board of Review appear on Pages 8-10 of this issue of the Antioch News. Every interested property owner should check the assessments here published.

### INSIGHT INTO EYESIGHT

Dr. R. A. Sona,

OPTOMETRIST

#### THE SINGLE-VISION LENS

When most people get their first pair of eyeglasses or contact lenses, more often than not they're made with single-vision lenses. This doesn't mean they can see only in one direction. Nor at only one distance. The "single" stands for just one set of optical corrections in the lens.

The single-vision lens can be for reading or for seeing at a distance. It all depends on the problem that needs correcting.

Nearsighted people need help in seeing things at a distance. Farsighted people may need help seeing objects near-by. People who have an astigmatism need

help in both directions. Their eyes have two points of focus instead of one. This gives them blurred vision no matter how close or far away an object may be. Corrective glasses or contact lenses clear things up so they can see as well as people with normal vision.

No matter what the vision problem, it can usually be solved with the right kind of glasses or contact lenses.

## Stage revue

# Kessie steals 'Ghost'

by GLORIA DAVIS

If you like drawing-room comedies, and-or you lean towards ghost stories, the PM&L Theater is serving just your cup of tea.

Nathaniel Coombes, the major ghost in "Gramercy Ghost," is a likeable one, authentically played by Patrick Kerr.

Kerr's portrayal, complete with English accent, had me completely convinced he was the spirit of a Revolutionary War soldier whose one mistake kept him earthbound.

Kerr is good, but in this production of "Gramercy Ghost," the maid steals the show in the person of Lyn Kessie whose versatility never ceases to surprise me. Compare this grey-haired servant to last year's glamorous witch in "Bell Book and Candle," and 'nuff said!

The two tall, good-looking leading men,

Tim Holt and Paul Beemsterboer, both do well, although talented director Larry Bullman might point out that there are pauses and periods in their dialogue, since, at times, both seem to be racing towards a vocal finish line.

Donna O'Donnell, as the "ghost seeing" heroine, is at her best when emoting emotionally, though these scenes are punctuated with a rather flat conversational voice tone.

Dave Carlson is the designer of the outstanding set and Lou Jones, Aileen Biel, and Mark and Donna Badtke are responsible for some very effective lighting and sound effects.

All in all "Gramercy Ghost," affords its audience an enjoyable theatrical evening.

## Fashions one highlight of popular Home Show

Once again this year, the annual Lakeland Newspapers Home Show will feature a colorful display of fashion favorites.

The fashion segment of the home show will be held during the intermission of the cooking demonstration and will feature popular fashion coordinators from Factory Fashion Center of Lindenhurst. Fashion commentary will be by Lakeland Newspapers' Fashion Editor Gloria Davis.

This year's show will once again be held at the Lake County Fairgrounds, Rtes. 45 and 120, Grayslake, and is scheduled for Thursday, April 28.

Doors open at 3:30 p.m. with the popular cooking demonstration beginning at 7 p.m. An entire afternoon and evening of activities are being planned for the show which is sponsored by Lakeland Newspapers in cooperation with participating area merchants.

This year's cooking show portion of the exciting home show will feature nationally known home economist Donna Saeger who will demonstrate the latest in cooking techniques on stage at the fairgrounds' cafeteria building.

Once again this year, younger home show visitors

will be greeted by the popular Kup Kake and the Klown Klan, official goodwill ambassadors of Lakeland Newspapers.

Visitors to the home show will visit many exciting exhibits associated with homes, entertainment, health and beauty care, recreation and lifestyles.

Admission to the show is

free and seating is on a first come basis.

Scores of prizes will be given away during the show and everyone attending will receive a free cook book.

Merchants interested in exhibiting their wares or services are invited to contact the newspaper office at (312) 223-8161 for information on reserving space.

# News/OPINION

The Antioch News welcomes letters to the editor. Letters should be on topics of general interest, approximately 150 words or less and be signed with home address and telephone number. Guest editorials

are also invited. They should be a minimum of 250 words and signed. The editor reserves the right to condense all material addressed to this page.

## The Time Machine

**FIFTY YEARS AGO: April 13, 1933**

The village of Antioch held a straw vote on whether or not the residents wanted the village to adopt daylight savings time although the board had already adopted it in 1927.

All the teachers at the Antioch Grade School were awarded contracts for the coming school year calling for a five percent cut in salary. The entire staff showed satisfaction with the contracts despite the salary cut.

A legal opinion stated that the state sales tax would not be applicable to water bills.

Reminding the people of Antioch who were in the midst of a depression, an editorial in the News said that the need to keep taxes low in the place where most of their tax dollars were spent had renewed interest in local government.

The new Chevrolet Master Six Sport Roadster was advertised to sell for \$485.

**THIRTY YEARS AGO: April 16, 1953**

Fern Lux was elected to the Antioch Grade School Board with a vote count that lead all the other candidates in the school board election.

Frank Petty was writing a syndicated television column. There was talk about remodeling the Antioch Village Hall to provide an office for the clerk and treasurer.

Jolene Gaston Switzer was honeymooning in Florida with her new husband David.

The area outdoor theater opened its 1953 season by showing Walt Disney's "Peter Pan."

A well-constructed brick four bedroom home was selling for \$19,500.

Pot roast was advertised at the Antioch A&P for 39 cents per pound.

**TEN YEARS AGO: April 11, 1973**

The village board was studying sewer expansion plans.

An editorial in the News blasted Glen Moore and Larry Fears, members of the high school board of education, for passing out an election leaflet that virtually claimed that these two were responsible for every major action that the board took in the last year.

The editorial mentioned that these claims did much disservice to other board members, William Brook, Dr. Albert Bucar, Mrs. Betty Meyers, Mr. W. C. Petty and Robert Lindblad.

Robin Hunley was being sponsored in the Miss Teenage Illinois Contest by the First National Bank of Antioch.

Angie Maras won the local, district and state competitions of the General Federation of Womens Clubs and Spadea Designer Patterns sewing contest.

"You're a Good Man Charlie Brown," was the playing at PM&L.

It was the Citizens Action Party, headed by Bob Wilton, against the Progressive People's Party, headed by Ray Toft, in the upcoming Tuesday's election.

Many historians believe that the Christmas celebration had its origins in ancient Greek and Roman festivities to mark the midwinter change of seasons.

## Along the way with ANNIE MAE

Anyone worried that any of the candidates for village trustee have anything to gain personally by changing the present village wine and beer ordinance will find that their fears are unfounded when news of certain business transactions is forthcoming.

In the same vein, Lt. Tom Fisher tells us that he feels that even if more places in Antioch were able to serve liquor, his department would have no increase in trouble with drinkers, especially when its done in a dining atmosphere.

The kids would still have to be 21 to be served.

The way Annie Mae looks at it, anyone who wants to drink in the village and is legally qualified to do so, can do so now. More licenses would just spread the drinkers around a little.

Claudette Skvarce, husband Fred, Ariene Anderson and Ed Portalski were seen enjoying themselves at the Oakwood Knolls Assn's. dance on Saturday.

It seems to be election time all over! Jean Rybicki tells me that the Sequoit VFW Post 4551 and its auxiliary will hold elections for officers for both groups at their regular monthly meetings, at 7:30 p.m., on Wednesday, April 13, at the VFW Post Home on North Ave..

Speaking of elections, I sure hope Tuesday, April 12, will find all of you voting for the candidates of your choice.

Remember the American right is the right to gripe about our politicians publicly. Theoretically you loose that right if you don't even bother to vote!

Pfc. Jeff Holmes, son of Vernon A. and Joan D. Holmes of 41072 N. Westlake Ave., Antioch, Ill., has arrived for duty in Vaihingen, West Germany. Holmes, a military police specialist with Headquarters, VII Corps, was previously assigned at Fort Hood, Texas. The private is a 1981 graduate of Antioch High School.

I hear that Antioch High School Baseball Coach Tom Baba is chomping at the bit since he has eight pitchers already to go and yet the rains continue to come.

The high school diamond men have already missed playing in eight games, enough for each of Baba's mound-men to have made at least one appearance.

Although Monday's forecast called for the sun, an early interview with Baba brought, "I'm still waiting to see the sun!"

Lets hope that those games get played before football season starts!

### PLAN VENUS

Taws & Paws would like to invite all square dancers to the dance thats out of this world. It's the "Venus Dance," on Friday April 15, at Lake Shangri-La Community Hall, 121st St., Kenosha County. ## Antioch Scout Troop 92 makes most of March

Antioch's Boy Scouts of America Troop 92 made the most of March with activities each weekend.

On March 5, the troop conducted its semi-annual newspaper and aluminum can drive. Enough papers were collected to fill over two thirds of the VFW trailer and the troop is grateful to the community for its support.

Residents can continue to bring their newspapers (but not cardboard, books, or magazines) and aluminum cans to the VFW trailer parked by the sawmill. On March 12, the troop took its annual trip to the Milwaukee Sentinel Sports Show.

At the annual Lakes District First Aid Meet conducted at Grant High School on March 19, the two Troop 92 patrols placed in the top

third of a 23 patrol competition. The Panther Patrol placed second overall having scored 599 of the 660 points, just nine points behind the winner.

The Panther Patrol included Dale Gade, patrol leader, Alec Kauffman, Bob Paschke, Aaron Pletz, and Ron Rock. The Viking Patrol, placing seventh, consisted of Mark Aschbacher, patrol leader, Matt Aschbacher, Eric Anderson, Brian Clark, and Phil Hettich.

All patrols were given "real-life" first aid problems such as broken bone, electricity burn, heat stroke, heart attack, and wrist cut. Patrols were judged on their ability to identify the problem, report it to authorities, treat, and transport their "victims". Paul J. Hettich was one of the six problem judges for the meet along with adult leaders from other scout troops.

On March 25, the troop went on their third annual field trip to Chain O'Lakes State Park to work on a wood duck project. Troop 92 had constructed a number of wood duck box nests in Spring, 1981.

In March, 1982 under the supervision of park main-

tenance director Ray Eisbrenner, Troop 92 returned to the nesting sites, assisted Eisbrenner in gathering data on nesting activity, and prepared the nests for the 1982 season. This March, Troop 92 again assisted Eisbrenner and repeated the process for the 1983 season. Of the 20 nests they examined, five contained eggs or egg shells. It was determined that overall nest usage in 1982 was down about 15 percent from the previous year in accordance with the overall duck population decline in the last two years.

During April, the troop will travel to Hartford, Wis. for their annual tent raising at a girl scout camp, and to Galena for the annual U.S. Grant Scout Pilgrimage.

## Plan intersection changes

Two of Antioch's busiest intersections are set to undergo a face-lift this summer when action called for by a motion approved at the last regular meeting to the Antioch Village Board gets underway.

The intersection of Rtes. 172 and 83 and the one at Rtes. 173 and 59 will not only be changed to ones with overhead signal lights, but left-turn lanes will be added.

The spring-summer project, slated to cost one half million dollars, will get the majority of its funding from the State of Illinois to the tune of \$286,000.

The village will pickup the remaining \$24,000. The present congestion and confusion at both intersections is expected to be relieved by this planned construction.

## ACHS will present 'Kiss Me Kate'

"Kiss Me Kate" has been named as the spring musical at Antioch Community High School and a large and promising cast has been chosen by director Ken Smouse.

Leading roles are being played by Andrew Biel in the double role of Fred and Petruccio, and Diane

Jurgaitis is playing the double role of Lilli and Kate.

Also playing double leads are Wendy Fabry as Lois/Bianca and Chris Waters as Bill/Lucentio.

Phillip Fabry and Joe Apostol star in the comic leads of the first and second gunmen.

Others in the production

are Julie Apostol, Joe Boehman, Jay Clarke, Dawn Hansen, Erik Hansen, Chris Hubbard, Judy Jurgaitis, Norm Pomeroy, Kim Rymut, Scott Trezise and Norma Velakis.

Barrette June Schugart, Sue Samson, Kim Fredericks, Laurie Paddock, Nicole Kapell, Ed Rowe, Scott Anderson, Moira Hannigan, Jeri Gutowski and Brenda Peterec are other cast members.

The play dates are April 28, 29 and 30, 1983 with curtain time at 8 p.m.

Reservation tickets may be picked up from members of the cast or tickets may be purchased at the door.

## Plan Cotillion to go May 21

Plans for the 18th Annual Mental Health Cotillion are progressing nicely according to Chairman Dorothy Teister.

The Cotillion will be held on May 21, at The Abbey on Lake Geneva. Cocktails will be at 7 p.m., dinner at 8:30 p.m., followed by dancing to the Music of "The Embers."

Tickets are available at all financial institutions in Antioch and from members. Members of the ticket committee are Delores Abderholden, "K" Costoff and Anne St. Pierre. The Patron List Committee and Donations Committee is made up of Dorothy Teister, Thelma Anderson, Alvera Morgan and Edna Barr. Ed-

na Barr and Jean Stanley are planning special decorating.

### SCALING AND PROPHYLAXIS

Q: My dentist has scheduled me for scaling and prophylaxis. What does this mean, and what is the value of it?

A: Scaling is the removal of the rocklike calculus or tartar that builds up on the teeth when plaque accumulates. It is difficult to remove and so requires the special tools and techniques of a dentist or dental hygienist.

Prophylaxis is the cleaning and polishing that follows the scaling process. This helps to prevent plaque formation. If the build-up of plaque/tartar has extended below the gum tissue, then the dentist must curette (clean out) the affected areas prior to prophylaxis. Frequency of scaling, curettage and prophylaxis depends on individual patient needs.

## Plans for Dominick's are still holding

Plans to develop a shopping center at Rtes. 59 and Grass Lake Rd. are still on hold.

According to Tom Santino, owner and developer of Harbor Ridge in Antioch Township, plans to build the shopping center, to be anchored by Dominick's Supermarket, are "still on hold."

"I really don't know any more than I did a few months ago. All I can say is they still in-

tend to come in and build, but the project is still on hold," Santino said. "There could be action on this in another month or another year."

Santino also has plans for home development on the Harbor Ridge property. His development features 70 completed condominiums with future plans for 674 more, priced at \$61,000 and up.

## McHenry man faces charges involving minors

A McHenry man has been arrested on sex charges against a number of Antioch and Lake Villa minors, according to the Lake County Sheriff's Dept.

Robert M. Wons, 39, has been connected with 19 incidents that occurred in the Lake Villa and Antioch areas, according to Lake County Sheriff Robert (P. J.) Babcox.

Wons was initially arrested on March 30 and charged with four counts of taking indecent liberties with a child. He was released on bond, then arrested again April 5 and charged with six additional counts of taking

indecent liberties and another four counts of contributing to the sexual delinquency of a minor. Bond was set at \$125,000.

Wons was convicted 13 years ago in Chicago on one count of contributing to the sexual delinquency of a minor and was sentenced to one year's probation.

Babcox requested that any parents who believe they may have information regarding the possibility of other victims should contact Sheriff's investigators James Rowley or Portia Wallace.

## Deny Barnes dismissal try

Scott Barnes, 29, Oak Lawn, who faces reckless homicide and driving while intoxicated charges in connection with the death of Mary Carney, 41, Antioch, appeared in front of Lake County Judge William Block on a defense motion for dismissal.

At the hearing, held on Thursday, April 7,

Block denied the dismissal motion.

Barnes is scheduled for trial in front of Block on Monday, April 11.

Barnes allegedly crossed the center line and crashed into the front of a vehicle driven by Carney, on Nov. 18. Carney was pronounced dead at the scene of the accident.

EQUAL HOUSING  
LENDER

## Senior project okayed by Antioch zoning board

Antioch Village Board is expected to give final approval to the Lake County Housing Authority to build 25 more senior housing units on the corner of Holbeck Dr. and Orchard St.

The Antioch Zoning Board gave its approval to a zoning change request on that property owned by Dr. Albert Bucar. The board also approved a zoning change for a house at 1013 Main St., from residential to

business, so that a beauty shop can be located there.

Construction on the 25 new units is expected to begin in the spring of 1984. The home that is now located on the property will be demolished to make way for a three-story, 25 one-bedroom unit building, to be owned and operated by the Lake County Housing Authority.

It is now possible to put the contents of hundreds of thousands of books onto computer tape so that people can call up for the information to be received on home TV screens.

# Corrections In Antioch Township Assessment Roll By The Lake County Board of Review for 1982

Pursuant to Sec. 109 of the Revenue Act of 1939 as amended, the following is a list of the changes in the assessments of real property for the Year 1982, as authorized by the Lake County Board of Review for Antioch Township properties.

The changes listed below were further multiplied by an equalization factor applied to all real estate except property assessed under the following sections of the Revenue Act of 1939 as amended: Sec. 20a-Formula Farmland; Sec. 20g-Open Space; and Sec. 44.1-Historic Sites or Municipal Landmark Areas.

These values are also subject to adjustment by the State of Illinois Department of Revenue equalization factor, which for 1982 assessments is 1.000.

This publication does not reflect changes for Homestead Exemptions, or Veterans' Exemptions.

Note that land values and improvement values appear separately and should be added together to arrive at a total assessed value.

## Michael Caithamer places in judo trials

Michael Caithamer of Antioch placed fourth in the 86 kg. weight class at the Pan American Games Judo Trials at the Miller High Life-sponsored Olympic Training Center.

More than 150 judo players competed in 16 different weight classes in the men's and women's division of the trials. The United States will send one athlete from each weight class to the Games.

Caithamer, a 1979 graduate of St. Viator High School and a senior at San Jose State University, is a two-time National High School Judo Champion and a five time National Junior Judo Champion.

He has won the NCAA

Judo Championship twice and has won the Western Collegiate Judo Championship three times. Caithamer also won the silver medal at the 1982 National Sports Festival and took third place at the 1981 and 82 U.S. Opens.

Caithamer is one of more than 40,000 athletes who have trained and competed at the center since it opened in 1978. It is located on land donated by the city of Colorado Springs and it is the site of the former Ent Air Force Base.

Athletes train at the center through a three-year, \$3 million commitment from the Miller Brewing Co.

Miller had underwritten expenses of the center through the 1984 Olympic Games.

Bob Mathias, 1948 and 1952 Olympic decathlon champion, is director of the center.

"Athletes who come here get a variety of experiences," Mathias said. "They probably get the best coaching they'll ever receive and they get the Olympic spirit along with it."

"We've seen great results here at the Olympic Training Center," Mathias said. "I think the teams we will field in Los Angeles and Sarajevo will be the best teams the United States has ever assembled."

## Chicago bus starts April 15

A new bus line will soon be serving this area. Larry Plachno of Wisconsin-Illinois Stages recently announced that the company has been granted operating authority from the Interstate Commerce Commission and that scheduled bus service to Chicago will begin on Friday, April 15.

Wisconsin-Illinois Stages, Inc. will take over most of the former bus route operated by Ritzenthaler Bus Lines between southern Wisconsin points and Chicago. Plachno indicated that the initial schedule will consist of round trips on Fridays and Sundays which will be geared toward those people who wish to spend the weekend in Chicago or southern Wisconsin.

Two stops will be made in Chicago. Buses will stop briefly at O'Hare International Airport for those passengers catching an airplane or another bus. The main Chicago stop will be at the new Cumberland Road Rapid Transit Terminal adjacent to the Kennedy Expressway.

Here passengers may board the new Chicago Transit Authority rapid transit line for a 30-minute express ride to Chicago's Loop and connections to all parts of Chicagoland.

Northbound buses will leave the Cumberland Terminal at 6:25 p.m. on Fridays. A stop will be made at O'Hare Airport 10 minutes later to pick up passengers.

Southbound buses will leave Antioch at 3:05 p.m. on Sundays. The bus stop and ticket agency in Antioch will be located at Reeve's Drug Store, 901 Main St. Additional stops will be made at Cross Lake, Camp Lake, and Silver Lake.

A schedule change is expected in mid-May for the summer season.
